CESTIFICATE

This is to ce lift that, about eighteen mon he ago, I commenced using Stratino's Anahosia. My hair was short, thin and rapidly falling out. I had tried many Hair Tonice, Invigorators, &c., without receiving any henceft. Soon after using the Ambrosia, my hair ceased falling out, and commenced growing so rapidly as to stonish me. New my hair is thick, soft and glossy, and is five feet four inches in length—when let down reaching the floor. This wonderful result I attribute solely to the use of Sterlini's Anabosia, as since I commenced using it I have applied nothing clast to my hair.
